San Leanna residents receive **two** bulk collections annually. One to be coordinated and announced by the Village officials, and the other at the call-in convenience of each resident. Each collection is limited to the greater of one item or a maximum of eight (8) cubic yards.

Bulky pickup includes materials not easily contained in a bag such as, but not limited to, furniture, mattresses and box springs, carpets and rugs, lawn equipment (drained of oil and gas), large toys, large appliances, and yard trimmings in bags or bundles. Yard waste must be bundled, tied and cut into four (4) foot lengths with cut ends facing the curb. Limbs must be 6 inches or less in diameter.
